GREETINGS FROM PASTOR MONTE

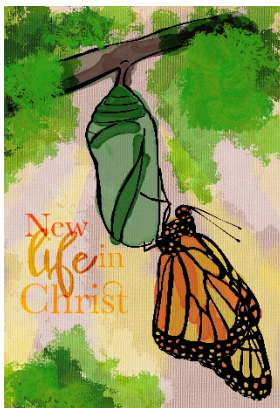

Did you know that Lent actually means Spring? It comes from the same root as lengthen, which refers to the lengthening of days. While many traditions focus on Lent as a somber and serious time, it really is all about coming to life again.

I have lived in states bordering Canada for much of my adult life, but I am still not quite used to the start-and-stop-again quality of spring here in these northern states. 60° and sunny one day and wind and ice the next! I would much prefer a constant, gradual warming that I can predict and count on.

But up-and-down is much more the pattern of our lives, not least of our spiritual lives. Sometimes we are tossed about on the seas of life, just clinging to hope, sometimes we can barely see any growth at all, and sometimes every day we feel closer to God. Thank God we can trust that God is always at work in us, whether we feel it or see it or not!

I pray that your Lenten practices—whether you tried out the prayer practices offered each week or used your own, helped your soul come back to life again. And may your Easter be a celebration of the Great Good News that Christ has conquered death and all the powers of fear and darkness. Alleluia, Amen!

Blessings,
Pastor Monte

June 16-20, from 9 a.m. to 12:00, will be our annual Music Camp for students. Kids who have completed K4 through grade 5 may register. They do not have to be members of St. Luke's to attend. Older students will be present to help along with our excellent teachers.

The curriculum for our camp includes singing, drama, art, instrument instruction, including guitars and ukuleles, liturgical dance, outdoor play and snack-time. The musical chosen for this year's presentation is: "The Life of the Party", which is the story of Mary, Martha, Lazarus and Jesus.

There have been many studies recently regarding the importance of music and the brain. Music therapy has become an integral part of helping people with dementia activate memory whereas other treatments have not been effective. In worship, music is an extremely important element, adding powerful emotions to the spoken word.

This promises to be a wonderful week of learning for kids. Along with other programs which we offer at St. Luke's such as Vacation Bible School, Sunday School and Confirmation, we all know that helping our children find community and experience God's love and grace is of utmost importance as they navigate growing up.

Registration will begin April 13 online or at the Welcome Center.

Peace and blessings,
Carol Peterson, Music Director

APRIL 2025 OUTREACH
Lutheran Social Services
Wisconsin and Upper Michigan, Inc.
“LSS”

Over the past year I have gotten involved with LSS and currently serve on the Finance and Investment Committees. During my initial investigation I had no idea as to the depth and breadth of the services and programs offered by LSS. For 141 years, LSS has been the social ministry of the Lutheran Church in Wisconsin and Upper Michigan. Nearly 30,000 children and families have been served by current programs. The organization is dedicated to supporting healthy communities filled with people using their God-given gifts to serve. The goal is to empower people to live their best lives providing a path to recovery from addiction or mental illness; a home that's safe and affordable; a family to thrive in; independence and a life that is truly their own.

Through our annual benevolence St. Luke's has been a participating congregation in support of LSS for many years. I look forward to sharing more about the impact of LSS during the month of April. Dick Hensley, Council President

"Behold, I make all things new."
This Bible verse is one of the favorites from scripture,
and as we celebrate this glorious Easter season,
we are aware of all of the joy and hope that we have
from the risen Christ and of the beauty
and newness of spring.

PRAYING FOR EACH OTHER

Did you know St. Luke's has a prayer chain group, who receive prayer requests via email and then lift them up in prayer? If you would like something or someone prayed for, submit your prayer request via the website (<https://www.slchurch.org/welcome/prayer-requests>) or by sending an email (pastor@slchurch.org) or text (262-631-9453) to pastor. If you would like to be part of this prayer ministry and commit to praying for the needs of our congregation and community, let Pastor Monte know. You can also submit prayer requests via the colorful prayer slips in the pews and at the Welcome Center. These prayer requests are prayed for at the staff meeting, and you can indicate if you would like the prayer added to the prayer chain.

In addition, if you would like a name lifted up during the Prayers of the People, write it on the Prayer List Clipboard as you enter the sanctuary. Once worship begins, this list will be given to Pastor.

Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. Philippians 4:6

NEXT Lunch & Learn will be Thursday, May 8 at 11:45 a.m. in the Upper Fellowship Hall.

Join us as the Metro Milwaukee Audubon Society's Colleen Resendiz shares information about birds at Wehr and about the Audubon Society in general. After the presentation, Colleen will host a walk through Daffodil Park to go birding. (Bring binoculars) If you need a ride to church, we'll provide one! Simply call the Church Office.
